Hi David and Rich,

## Ex. 5 Deliberative Process (DP)

## Ex. 5 Attorney Client (AC)

In reviewing my draft letter, if you can't turn off the "Markup", or if a ton of old "markups" appear when you try to type your own comments, let me know and I'll print out a hard copy for you to write on. (I copied my previous letter to Sims as a starting point to work off of and I think the old "markups" may still show up when you open my file... sorry 'bout that).

Thanks,
